

**LET MY PEOPLE VOTE**

*A program of Soul 2 Soul Sisters*

**Soul 2 Soul Sisters** is a grassroots nonprofit that is fiercely faith-based, Black Womxn-led and focuses on Black healing and Black liberation. We strive to provide a sacred space for Black Womxn to rest, share their experiences, and develop and implement strategic plans for individual and collective peace, power, healing and joy.

Soul 2 Soul Sisters supports Black Girls and Black Womxn wherever they are in the broad spectrum of their reproductive experience - i.e. healthy body-image, healthy partnered relationships, correct use of contraceptives, deciding when to have a baby, support with breastfeeding, deciding whether to have an abortion - Soul 2 Soul Sisters upholds abortion as a sacred, holy decision among self, Divine, universe, ancestors and chosen beloveds - navigating postpartum, healing from a miscarriage.

### **Let My People Vote**

Soul 2 Soul Sisters' Let My People Vote (LMPV) program is a Black, bold and collaborative program with [New Era Colorado](#). **Through our LMPV Ambassador program, we recruit and train Black folx to politically engage and mobilize friends and family for elections.**
